By JONES H. PARKER,
MERMOD-JACCARD BUILDING,
ST. LOUIS, MO.
1913.

U. of M. Lib. 1911

TABLE OF CONTENTS.

| | |
|--|-----|
| I.—Upon the Present Status of Otosclerosis. By PROF. DR. ALFRED DENKER, Halle, A./S..... | 1 |
| II.—The Report of an Examination of Both Temporal Bones From a Hundred and Twenty Individuals in Reference to the Question of Symmetry in Health and Disease. By ARTHUR CHEATLE, M. D., London | 19 |
| III.—Report of a Case of Bronchoscopy for Multiple Foreign Bodies (Almond Shell and Pulp) in a Child Two Years of Age, With Some Observations Upon Bronchoscopy in Infants and Young Children. By J. R. WINSLOW, B. A., M. D., Baltimore | 125 |
| IV.—Tumors of the Larynx. By ROBERT LEVY, M. D., Denver | 133 |
| V.—Acute Suppuration of the Middle Ear—Its Neglect and Proper Treatment. By PROF. DR. GUSTAV ALEXANDER, Vienna | 159 |
| VI.—Pneumococcus Infections of the Nose and Throat. By CLEMENT F. THEISEN, M. D., Albany..... | 175 |
| VII.—Two Cases of Air Embolus Following Exploratory Puncture of the Antrum of Highmore. By H. M. BOWEN, M. D., Toronto..... | 180 |
| VIII.—Nasal Hemorrhage Following Turbinectomy in a Hemophiliac Treated by the Injection of Human Blood Serum. By LINN EMERSON, M. D., Orange..... | 183 |
| IX.—On the Function of the Tonsils. By LOUIS M. FREEDMAN, M. D., Denver..... | 186 |
| X.—Submucous Resection of the Nasal Septum in the Semi-recumbent Position. By WILLIAM R. BUTT, M. D., Philadelphia | 201 |
| XI.—Treatment of Deafness by Reeducating the Hearing. By DR. MAURICE, Paris..... | 211 |

| | |
|---|-----|
| XII.—Removal of Adenoids by Direct Inspection. By JOSEPH C. BECK, M. D., Chicago..... | 273 |
| XIII.—When to Operate on the Labyrinth in Labyrinth Infection Secondary to Purulent Otitis Media. By G. E. SHAMBAUGH, M. D., Chicago..... | 303 |
| XIV.—Some Attempts at the Intranasal Transplantation of Nasal Tissues. By SAMUEL IGLAUER, B. S., M. D., Cincinnati | 308 |
| XV.—The Report of a Case of Paracoustic Vertigo and Nystagmus Cured by Operation on the Labyrinth. By JOHN RANDOLPH PAGE, M. D., New York..... | 321 |
| XVI.—Atrophic Rhinitis with Ozena—Its Etiology and Surgical Treatment. By FRANCIS PATTEN EMERSON, M. D., Boston | 333 |
| XVII.—Intranasal Treatment of Meckel's Ganglion. By E. M. HOLMES, M. D., Boston..... | 350 |
| XVIII.—Bronchoscopic Removal of a Collar Button After Twenty-six Years' Sojourn in the Lung. By CHEVALIER JACKSON, M. D., Pittsburg..... | 360 |
| XIX.—The Combined Laboratory and X-ray Indications for the Mastoid Operation. By GEORGE SLOAN DIXON, M. D., New York | 369 |
| XX.—Ocular Manifestations in Nasal and Aural Diseases Which Probably Indicate Involvement of the Sympathetic Nervous System. By W. H. HASKIN, M. D., New York..... | 384 |
| XXI.—Results in a Series of Cases of Tonsillectomy at the Massachusetts General Hospital, Three to Four Years After Operation. By J. PAYSON CLARK, M. D., Boston..... | 421 |
| XXII.—Report of Removal of Fibromyoma Which Excluded the Auditory Canal; Hemophilia. By M. D. LEDERMAN, M. D., New York..... | 431 |
| XXIII.—Abscess of Frontal Lobe of the Brain, of Otitic Origin, with Exhibition of Specimens. By T. PASSMORE BERENS, M. D., New York..... | 433 |

| | |
|---|-----|
| XXIV.—Report of the Committee Appointed to Consider the Best Methods to be Followed in the Teaching of Otolaryngology in Undergraduate and Postgraduate Schools. By D. J. GIBB WISHART, M. D., Toronto; S. MACCUEEN SMITH, M. D., Philadelphia; CHAS. W. RICHARDSON, M. D., Philadelphia. | 453 |
| XXV.—Suspension Laryngoscopy with Demonstration of Method. By WOLFF FREUDENTHAL, M. D., New York. | 464 |
| XXVI.—The Training of the Specialist. By THOS. J. HARRIS, M. D., New York. | 475 |
| XXVII.—Clinical Indications for the Mastoid Operation. By W. SOHIER BRYANT, A. M., M. D., New York. | 482 |
| XXVIII.—Congenital Osseous Obstruction of the Postnasal Orifices. By C. W. RICHARDSON, M. D., Washington City. | 488 |
| XXIX.—Intraocular Tension in Glaucoma Lowered by Injection of the Sphenopalatine Ganglion. By H. EDWARD MILLER, M. D., St. Louis. | 492 |
| XXX.—Peritonsillar Phlegmon—Report of a Case. By F. E. HOPKINS, M. D., Springfield, Mass. | 496 |
| XXXI.—Primary Tuberculosis of the Middle Ear. By CHAS. H. LONG, M. D., Chicago. | 499 |
| XXXII.—Report of a Case of Temporosphenoïdal Abscess of Otitic Origin—Operation—Recovery. By JAMES F. McCaw, M. D., Watertown. | 505 |
| XXXIII.—Sinus Thrombosis Following Necrosis of Periosteal Flap. By OTTO GLOGAU, M. D., New York. | 509 |
| XXXIV.—A Case of Paralysis of the Abducens Nerve Associated with Acute Mastoiditis. By HAROLD HAYS, M. D., New York. | 514 |
| XXXV.—Diseases of the Labyrinth With a Report of Nineteen Cases. By FRANK R. SPENCER, A. B., M. D., Boulder, Colo. | 581 |
| XXXVI.—Some Conditions Associated With the Loss of Cerebrospinal Fluid. By R. BISHOP CANFIELD, M. D., Ann Arbor. | 604 |
| XXXVII.—Odd Cases of Nasal Deflection With Suggestion as to Treatment of Nasal Adhesions. By OTIS H. MACLAY, B. S., M. D., Chicago. | 623 |

| | |
|--|-----|
| XXXVIII.—The Operative Findings and Results in Mastoiditis, Acute and Chronic. By J. M. INGERSOLL, A. M., M. D., Cleveland | 629 |
| XXXIX.—Radiography as an Aid in the Diagnosis of Mastoid Disease. By FREDERICK M. LAW, M. D., New York..... | 635 |
| XL.—A Discussion of the Modus Operandi of Galvanic Nystagmus. By LESTER MEAD HUBBY, M. D., New York..... | 638 |
| XLI.—Exhibition of Radiograms Illustrating the Pathology of Mastoiditis. By HENRY S. BIRKETT, M. D., Montreal..... | 649 |
| XLII.—Further Observations on the Technic in the After-Care of the Radical Mastoid Operation. By PHILIP HAMMOND, M. D., Boston..... | 652 |
| XLIII.—The Faucial Tonsils as a Focus for Systemic Infection. By GEORGE E. SHAMBAUGH, M. D., Chicago..... | 659 |
| XLIV.—Report of Two Cases of Cerebrospinal Meningitis Presenting no Central Nervous Phenomena Until Shortly Before Death. By T. PASSMORE BERENS, M. D., New York..... | 666 |
| XLV.—Choice of Treatment in Chronic Suppurative Otitis Media. By GEORGE L. RICHARDS, M. D., Fall River..... | 672 |
| XLVI.—Radiographic Findings Illustrating the Anatomic Development of the Mastoid Bone. (Stereopticon Demonstration.) By WILLIAM H. STEWART, M. D., New York..... | 677 |
| XLVII.—Topography of the Tympanic Cavity. By JOHN A. CAVANAUGH, M. D., Chicago..... | 699 |
| XLVIII.—Some Anatomic and Clinical Relations of the Sphenoid Sinus to the Cavernous Sinus and the Third, Fourth, Fifth, Sixth and Vidian Nerves. By GREENFIELD SLUDER, M. D., St. Louis..... | 725 |
| XLIX.—Exhibition of Otitic Brain Abscess Cases and a Mastoid Exenteration by Nature. By S. MACCUEEN SMITH, M. D., Philadelphia..... | 769 |
| L.—A Report of Three Unusual Cases of Stammering. By G. HUDSON MAKUEN, M. D., Philadelphia..... | 776 |
| LI.—Diagnosis and Treatment of Diphtheria. By JOSEPH B. GREENE, M. A., M. D., Asheville..... | 782 |
| LII.—Two Cases of Perforation of the Petrous Portion of the Temporal Bone Due to the Capsulated Bacteria. By H. B. GRAHAM, M. D., San Francisco..... | 798 |

| | |
|---|------|
| LIII.—The Surgical Management of Diseases of the Frontal Sinus. By ROBERT CUNNINGHAM MYLES, M. D., New York | 807 |
| LIV.—Report of a Case of Ulceration of the Larynx; Perichondritis of the Arytenoid Cartilages, Abscess and Partial Exfoliation of Both Cartilages Resulting from Typhoid Fever. By J. H. BRYAN, M. D., Washington, D. C. | 811 |
| LV.—Vasomotor Disturbances of the Upper Air Tract. By C. W. RICHARDSON, M. D., Washington..... | 817 |
| LVI.—Histologic Pathology of the Accessory Sinuses. By JOSEPH C. BECK, M. D., Chicago..... | 913 |
| LVII.—The Endonasal Route of Attack in Hypophyseal Tumor Cases. By W. E. SAUER, M. D., St. Louis..... | 971 |
| LVIII.—Cavernous Sinus Thrombosis Due to Organisms of the Streptothrix Group. By HENRY HORN, M. D., San Francisco | 989 |
| LIX.—Suggestive Points of Analogy Between Otosclerosis and Arthritis Deformans. By JOHN F. O'MALLEY, F. R. C. S., London..... | 1007 |
| LX.—Complications That May Arise During or After the Submucous Operation for the Correction of Septal Deviations. By GEORGE W. MACKENZIE, M. D., Philadelphia..... | 1020 |
| LXI.—Aphthous Ulceration of the Upper Air Passages in Pulmonary Tuberculosis—A Retrospect and a Review. By JOHN N. MACKENZIE, M. D., Baltimore..... | 1046 |
| LXII.—Immediate and Remote Sequelæ of Radical Removal of the Faucial Tonsil—Observation of Two Hundred Cases. By VIRGINIUS DARNEY, M. D., Washington..... | 1057 |
| LXIII.—Decapitation of the Faucial Tonsil Followed by Digital Evisceration of Its Capsule. By J. A. ELLEGOOD, M. D., Wilmington | 1067 |
| LXIV.—Frontal Mucocoele. By GEORGE W. MCCOY, A. M., M. D., Los Angeles..... | 1073 |
| LXV.—Report of a Case of Compound Follicular Odontoma of the Superior Maxilla. By L. W. DEAN, M. D., Iowa City | 1077 |
| LXVI.—Case of Meningitis in Which the Cisterna Magna Was Drained. By NORVAL H. PIERCE, M. D., Chicago..... | 1081 |

| | |
|--|---------------------|
| LXVII.—The Use of Vaccines After the Mastoid Operation. By WILLIAM C. BRAISLIN, M. D., Brooklyn..... | 1085 |
| LXVIII.—On the Efforts of Nature to Cure Septic Thrombosis of the Lateral Sinus. By HARRY FRIEDENWALD, M. D., Baltimore | 1090 |
| LXIX.—Bone Conduction in Syphilis. By DR. OSCAR BECK, Vienna | 1099 |
| LXX.—The Nasal Voice With Reference to Its Bearing on the Practice of Rhinolaryngology. By ELMER L. KENYON, A. B., M. D., Chicago | 1110 |
| LXXI.—Caisson Workers' Deafness. By G. W. BOOR, M. D., Chicago | 1121 |
| LXXII.—The Ménière Symptom-Complex—A Clinical Review. By HILL HASTINGS, M. D., Los Angeles..... | 1133 |
| LXXIII.—Malignant Tumors of the Nasopharynx, With Report of Cases. By A. L. KELSEY, M. D., and J. M. BROWN, M. D., Los Angeles | 1147 |
| LXXIV.—Inflammation of the Lateral Columns of the Pharynx Leading to Abscess Formation, With Report of Cases. By HENRY L. SWAIN, M. D., New Haven..... | 1156 |
| SOCIETY PROCEEDINGS..... | 228, 517, 820, 1166 |
| New York Academy of Medicine, Section on Otology— | 228 |
| 239, 517, 525, 538, 820, 826 | |
| Chicago Laryngological and Otological Society— | 255, 558 |
| 834, 846, 1166, 1182 | |
| St. Louis Society of Medicine, Oto-Laryngological Section | 271, 867, 870, 872 |
